RECONCILIATION INITIATIVES

Reconciliation Initiatives (RI) exists to equip Anglican Christians and their churches to be agents for reconciliation in wider society. We are a member of Coventry Cathedral's Community of the Cross of Nails, and we work in partnership with a group of gifted trustees, associates and staff.

RI has two main offerings, both learning and development programmes:

- **Being White:** a 4-month racial justice programme addressing the culture of whiteness in the church; and
- **Reconciling Mission:** an 18-month programme resourcing leaders /churches for deeper engagement with local community and neighbourhood.
